WHAT HAPPENED?

We recently celebrated the official launch of the Diamond Card in true Diamond style. Guests enjoyed dinner and a glass of wine before settling in for an evening of non-stop laughter with Aaron McIlroy and Lisa Bobbert.

SPEAKING OF WINE (AGAIN)...

**OUR DIAMOND CARD HOLDER
WINE SPECIAL
UNTIL THE END OF MARCH**

ALBERTUS VILJOEN BISMARCK 2020

Buy 3 bottles and get 3 bottles free.

Price: R330 a bottle including VAT (normally R370)

A delicious Red Wine Blend. Opaque-red in colour, this beautifully robust wine has a complex nose offering layers of spice, vanilla, white pepper and generous helpings of ripe blackberry and prune. The wine has firm tannins, but with the richness of ripe fruit becomes an almost seamless, wonderfully elegant expression of our winemaker's favourite wines of the vintage. Boasting a long-lasting, memorable finish, this wine has the potential to mature for at least 8-10 years.

WHAT'S ON AT THE MILKWOOD THEATRE?

ONCE UPON A MUSICAL is a vibrant “musical within a musical” that celebrates the magic, drama, friendships and backstage moments.

Featuring unforgettable hits from ***Mamma Mia!***, ***Wicked***, ***Hairspray***, ***Grease***, ***My Fair Lady*** and ***The Greatest Showman***, to name just a few, this high-energy production weaves iconic musical theatre favourites into a dynamic storyline filled with heart, humour and a touch of theatrical sparkle!

Brought to life by the extraordinary young women of Danville, alongside talented performers from neighbouring boys’ schools, the show bursts with powerhouse vocals, hauntingly beautiful harmonies, vibrant choreography and ensemble numbers that will have audiences clapping, foot-stomping and cheering from the first note to the final curtain.

In a magical underwater kingdom, the beautiful young mermaid, Ariel, longs to leave her ocean home — and her fins — behind and live in the world above. But first, she'll have to defy her father, King Triton, make a deal with the evil Ursula, and convince the handsome Prince Eric that she's the girl whose enchanting voice he's been seeking.

Journey "under the sea" with Ariel and her aquatic friends in Disney's *The Little Mermaid JR.* Based on one of Hans Christian Andersen's most beloved stories, Disney's *The Little Mermaid JR.* is an enchanting look at the sacrifices we all make for love and acceptance.
